health_screening_hearing_exam

Table of Contents

In the Pass/Fail field, click drop-down arrow to select the overall result of the hearing test.

Note: To record a religious exemption, the field must be set to Exempt.

● In the Status field, click drop-down arrow to select the status of the follow-up exam, if applicable.

Note: To record a religious exemption, the field must be set to Not Examined.

● In the Referral Date field, type the date on which the student was referred to a specialist, if applicable. Use the MMDDYYYY format. Or, click calendar icon to select the date from the calendar.

This field is also updated when you generate a hearing referral letter from the Letters > Run Letter > Print Letters tab and click Update Referrals.

● In the Follow-up Date field, type the date of the follow-up exam. Use the MMDDYYYY format. Or, click calendar icon to select the date from the calendar.
