Table of Contents

Student

Click the button to enter the results of the spinal test. The findings window opens.
If findings already exist for the screening record, a note icon is displayed on the button.
Click +Add to add a finding.
\square In the Finding field, click drop-down arrow to select a spinal view/type. \square Click OK to save the information, or click Cancel to close the window without saving the information. \blacksquare To delete a finding, click trashcan icon. The row is shaded red to indicate that it will be deleted when the record is saved.
\square You can select multiple rows to be deleted at the same time. \square Click OK. The selected rows will be deleted when the record is saved.
