## Instructor Directory

The Directory is used to search for an instructor and retrieve the instructor(s) to the page from which you accessed the directory.

### Search for a student:

Enter data in one or more of the following fields. Not all fields are displayed in all applications.

Field	Description
<b>Last Name</b>	Type all or part of the instructor's last name to retrieve instructors whose last name <i>begins with</i> the letters you have typed.
<b>First Name</b>	Type all or part of the instructor's first name to retrieve instructors whose first name <i>begins with</i> the letters you have typed.
<b>Campus</b>	Type the three-digit campus ID to select students at a particular campus. Leave blank to select from students at all campuses.
<b>Grade</b>	Type or <a href="#">select the grade level</a> to retrieve students in a specific grade level.
