Click  to save and print the report in PDF format.

Click  to save and print the report in CSV format. This option is not available for all reports.

Click  to close the report window. Some reports may have a **Close Report** or **Exit** button instead.

The program attempts to duplicate the labels on the associated screen, to use as report headers. For long labels, some words may be abbreviated.

When the report is displayed on the screen, the entire header displays.

When the report is saved as a PDF, parts of the headers may not be displayed due to a space restrictions (e.g., when formatting eight columns to a PDF page).

When the report is saved as a CSV, the entire header is saved. (The columns may need to be widened to view the entire text.)
