

# registration\_campus\_campus\_enroll\_type

# Table of Contents

Click **+Add** to add the campus enrollment type.

The following fields are displayed below the grid.

This list populates the **XXX** field on [Registration > Maintenance > Student Enrollment > W/R Enroll](#) .

**NOTE:** These settings are campus specific. If the same facility exists on multiple campuses, the information must be entered for each campus.

|                   |  |
|-------------------|--|
| <b>CEP Type</b>   | Select the type of campus where the student is enrolled.   |
| <b>Begin Date</b> | Type the begin date using the MMDDYYYY format. Or, click  to select the date from a calendar. |
| <b>End Date</b>   | Type the end date using the MMDDYYYY format. Or, click  to select the date from a calendar.   |
