filters	
You can filter the listed forms:	
Sch Yr	Indicate if you want to view online registration forms (upcoming school year) or student data form changes (current school year). For example, if it is currently the 2019-2020 school year, and registration is open for the 2020-2021 school year, select **2020** to see student form changes submitted for the current school year, and/or select **2021** to see form changes submitted from online registration. Move to Grade Reporting (MTGR) affects the school years displayed. After MTGR is run, the previous school year drops off, and the next school year is added.

❑ Click **Filter**.
