The date should be the first school date on which the student actually attended school. **NOTE:** Ensure that you are not re-enrolling a student who was not properly withdrawn. A previous withdrawal date and code should exist. If you are re-enrolling the student, do not remove the original withdrawal date from his courses. You must manually re-enter the student's courses with the campus re-entry date. When you re-enroll a No Show student, **Orig Entry** on the Demo1 tab is updated to the new **Entry Date**.
End Date	To withdraw a student, type the end date in the MMDDYYYY format. The date should be the school date following the last day the student was enrolled, and it must be later than the campus entry date and latest reentry date.
