

registration_student_miscellaneous_primary_language

Table of Contents

Click ⋮ to select the primary language spoken by the student. If blank, the value in **Default Home Language Cd** on Maintenance > District Profile > District Information > Control Info is used to supply this information on reports.

NOTE: Once you accept the student's Home Language Survey, this field is updated according to the parent's answer to the question **What language does the child speak most of the time?**
