

save_attendance_posting

Table of Contents

- Any changes to previously entered comments are saved.
- If attendance was previously posted for the same student, date, and period, you are prompted to confirm that you want to overwrite the previous data:

<p>Overwrite Posting Code</p>	<p>For each row, indicate if you want to overwrite the existing posting code for the student, date, and selected period(s). If there are multiple rows, you can select the check box in the heading to overwrite the code for all rows.</p> <p>If <i>not</i> selected, the original code will remain.</p>
<p>Overwrite Comments</p>	<p>REMOVE? Select to overwrite any existing comments for the student, date, and selected period(s). If multiple students are listed, select the check box in the heading to overwrite the comments for all listed students.</p> <p>If <i>not</i> selected, the original comment will remain.</p>

Click **OK**. The changes are saved.
