

scheduling_control_nbr_by_period_body

Table of Contents

❑ Enter selection criteria:

Semester	Select the semester.
NY Grade	Select the next year grade level of the students, or select *All* for all grade levels.
Period	Select the period when the students meet.

A list of students who meet the specified criteria is displayed.

- The list can be re-sorted.

  You can re-sort the grid by clicking on an underlined column heading. It will sort in ascending order. Click it again to sort in descending order.

  A triangle next to the column heading indicates the column by which the grid is currently sorted and whether it is sorted in ascending or descending order.

- If there are multiple pages, page through the list.

Update	Select the check box for the students whose control number you want to change. • Select **Select All** to select all students. If there are multiple pages of students, the students are selected across all pages. • Clear **Select All** to unselect all selected students. If there are multiple pages of students, the students are unselected across all pages. • To unselect one or several individual students, clear the **Update** field for the students. Changes are retained across all pages.

❑ Click **Save**.
<div indent>The next year control number is assigned to the selected students and is displayed in the **NY Cntrl#** field.</dive>
