

# scheduling_group_course_change_move_students

# Table of Contents

This option moves the student from the **From** course/section/semester to the **To** course/section/semester if the student also meets the criteria specified under **Students**.

In the From fields, click to select the course number for the course in which the students are currently enrolled. The course title is displayed.

In the next field, click to select the section in which the students are currently enrolled. Only sections for the selected course are listed.

In the third field, click to select the code for the semester in which the students are currently enrolled.

In the To fields, click to select the course number for the new course. The course title is displayed.

In the next field, click to select the new section. Only sections for the selected course are listed.

In the third field, click to select the code for the semester.
