Click **Retrieve**. Existing proxies are displayed in the upper grid.

- The list [can be re-sorted](#).

You can re-sort the grid by clicking on an underlined column heading. It will sort in ascending order. Click it again to sort in descending order.

A triangle next to the column heading indicates the column by which the grid is currently sorted and whether it is sorted in ascending  or descending  order.

- If there are multiple pages, [page through the list](#).

Click **+Add** in the upper grid to add a new proxy. The fields below the grid are enabled.

| | |
|--------------|---|
| Proxy | Type a proxy number to identify the proxy. The number cannot be the same as an existing course number. If you have changed the course number length on Maintenance > Master Schedule > District > District Control , a crosswalk is created, and the New Proxy field will display the new zero-padded proxy number next to the old proxy number. |
| Title | Type a description of the proxy, up to 15 characters. |

| | | |
|---|--|---|
| Type | <input type="checkbox"/> Select the type of proxy you want to add. The fields displayed depend on the type of proxy you select. For all proxy types, the following fields are displayed: | |
| | Pregrid Restriction | If there are grade level restrictions that should restrict the course from being displayed in ASCENDER StudentPortal and SCH0133 - ASCENDER StudentPortal Course List (for ASCENDER districts), select the lowest grade level allowed for the course. In the adjacent + field, type the number of additional grade levels that are eligible to take the course. When students access ASCENDER StudentPortal, the course will only be displayed in the subject area for students in the grade levels indicated. For example, if the course is for 7th and 8th grade students, select 07 in the Pregrid Grd Restr field, and type 1 in the + field. Select EX to exclude the course for all grade levels. This option is not available for proxies. If the Pregrid Grd Restr field is set to EX, any characters typed in the + field are cleared when you click Save . |
| | If you select Normal or Match , the following field is also displayed: | |
| | Exclude from Stu Crs Requests | For match proxies, select if you want to exclude the proxy from the ASCENDER StudentPortal Student Course Requests system. Normal proxies are not used in ASCENDER StudentPortal. |
| If you select Match , the following fields are also displayed: | | |
| Include in Conflict Matrix | Select if you want to include the proxy in the conflict matrix report. | |
| Grade Restriction | If there are grade level restrictions for the course-section, select the lowest grade level allowed. In the adjacent + field, type the number of additional grade levels that are eligible to take the course. For example, if the course is for 7th and 8th grade students, select 07 in the Grd Restr field, and type 1 in the + field. | |
| View | Click to view and print the common sections of courses assigned to the proxy number. This button is only available for match proxies. Review, save, and print the report. Review the report using the following buttons: Click  to go to the first page of the report. Click  to go back one page. Click  to go forward one page. Click  to go to the last page of the report. The report can be viewed and saved in various file formats. Click  to save and print the report in PDF format. Click  to save and print the report in CSV format. (This option is not available for all reports.) When a report is exported to the CSV format, the report headers may not be included. Click  to close the report window. Some reports may have a Close Report , Exit , or Cancel button instead. | |
