

scheduling_team-code_ny_team_body

Table of Contents

1. In the **NY Team From** field, select the next year team code currently assigned to the students.

- Select Blank for students with blank team codes.
- Select All for all students.

A list of students assigned to the team code is displayed.

- The list [can be re-sorted](#).

You can re-sort the grid by clicking on an underlined column heading. It will sort in ascending order. Click it again to sort in descending order.

A triangle next to the column heading indicates the column by which the grid is currently sorted and whether it is sorted in ascending  or descending  order.

- If there are multiple pages, [page through the list](#).

2. Select **Update** for the students whose team you want to change.

- Select **Select All** to select all students. If there are multiple pages of students, the students are selected across all pages.
- Clear **Select All** to unselect all selected students. If there are multiple pages of students, the students are unselected across all pages.
- To unselect one or several individual students, clear the **Update** field for the students. Changes are retained across all pages.

3. To add a new team code, type the one-character code in the adjacent field and click **Add Team Code**.

The new code is added to the **NY Team To** drop-down list.

4. In the **NY Team To** field, select the next year team code to assign to the students.

Or, select Blank to reset team codes to blank.

5. Click **Save**.

The new next year team code is assigned to the selected students and is displayed in the **NY Team** field.
