Select Special Course Consideration Code

The Special Considerations lookup is used to retrieve a special course considerations code if you do not know the code.

Search for a special source considerations code:

Special considerations are listed in order by code. The list can be re-sorted.

You can re-sort the grid by clicking on an underlined column heading. It will sort in ascending order. Click it again to sort in descending order.

A triangle next to the column heading indicates the column by which the grid is currently sorted and whether it is sorted in ascending or descending order.

1. To search for a specific code, begin typing the code or description in the **Search** field. The list is automatically filtered to display the codes and descriptions that *contain* the characters you have typed.
2. Click the code. The lookup closes, and the field or parameter is populated with the selected code.

Click **Cancel** to close the lookup without selecting a code.
