Select Report

The report lookup displays forms-related reports in alphanumeric order.

Select a report:

To search for a report, begin typing the report name in the **Search** field. The list is automatically filtered to display the report names that contain the characters you have typed.

When you locate the report you want to retrieve, click the report name. The lookup closes, and the parameter is populated with the report name.

Click **Cancel** to close the lookup without selecting a report.
