# ParentPortal Single Sign-on

Beginning January 2, 2023, Cambium Assessment, Inc. offered the ability to integrate Single Sign-On for families through their respective Student Information Systems. Parents are now able to access their students' results through the ASCENDER ParentPortal, which bypasses the TEA Family Portal login screen.

This capability is available for all districts utilizing the ASCENDER ParentPortal and the Test Scores application.

Parents can use the Single Sign-on option, if the student has a TEA Unique Access code in the Test Scores application as seen below:

The screenshot shows the ASCENDER Test Scores application interface. At the top, there are fields for 'STUDENT:' and 'TEXAS UNIQUE STU ID:', and buttons for 'Retrieve' and 'Directory'. Below this, student information is displayed: Grd Lvl: 12, DOB: 12-17-2005, Sex: F, SSN: ●●●-●●-7680, Status: ACT. Under the 'TESTS' section, 'EOC' is selected. A sub-section for 'EOC' shows a table of results. The table has columns for Actions, Season, Admin Year, Grd Lvl, Crty Dist Camp, EOC Type, Objective/Category Score 1, Objective/Category Score 2, Objective/Category Score 3, Objective/Category Score 4, Objective/Category Score 5, Objective/Category Score 6, Objective/Category Score 7, Raw Scr, and Scale Scr. Two rows of data are shown:

Actions	Season	Admin Year	Grd Lvl	Crty Dist Camp	EOC Type	Objective/Category Score 1	Objective/Category Score 2	Objective/Category Score 3	Objective/Category Score 4	Objective/Category Score 5	Objective/Category Score 6	Objective/Category Score 7	Raw Scr	Scale Scr
	15 - Spring	2021	09	194-902-001	BI - Biology	06	09	08	08	09			40	4469
	15 - Spring	2021	09	194-902-001	E1 - English I	06	12	08	10	08	09		53	4368

**NOTE:** The TEA Unique Access Code is automatically entered for a student when result files are imported into ASCENDER.

If the student has a TEA Unique Access code on file, the parent can log in to ASCENDER ParentPortal and go to *Summary > Texas Assessments*.

- Click on the **Texas Assessment** button to be automatically directed to the student's scores in the Family Portal.
