Report Card Comments

Grade Reporting > Maintenance > Tables > Grade Reporting Tables > Rpt Card Comments

This tab allows you to set up instructor comments for student report cards and interim progress reports (IPRs). Instructors can select from these comment codes in TeacherPortal to assign codes to individual students. The comment descriptions are printed in the **Explanation of Comment Codes Used Below** section of the report card or IPR (or **Explicación de Código de Comentario Utilizado Debajo** if Spanish) when the corresponding code is selected for the report card/IPR.

Comments should be set up in both English and Spanish. If a comment code does not have a corresponding Spanish comment, the corresponding English comment will be printed on the Spanish language report.

It is recommended that these be set up at the beginning of the year and not changed during the year.
