Grade Reporting > Reports > Grade Reporting Reports > Student Schedules > SGR2055 - Student Schedules

This report prints student schedules for all students at the campus or up to ten students. You can also print schedules for up to three specific control numbers. The report is for the current year only.

The report displays schedules for up to two student per page, unless the number of courses for a student exceeds 22. In this case:

- For the student with the first schedule on the page, the schedule continues on the same page.
- For the student with the second schedule on the page, the schedule continues on the next page.

Run the report:
