Grade Reporting > Reports > Grade Reporting Reports > Instructors > SGR5000 - Count of Special Ed Students per Teacher

This report provides counts of special education students per instructor. Speech-only students are not included.

You can include the student's name, grade level, primary disability, and instructional setting details.

Run the report:

Parameter	Description
Campus ID (Blank for All)	Type the three-digit campus ID, or click to select the campus. Leave blank to select all campuses in the district. **NOTE:** If you select to create the report for all campuses, any campuses excluded from district reporting (i.e., campuses that have the **Exclude from District Reporting** field selected on Registration > Maintenance > Campus Profile > Campus Information Maintenance > Control Info) are not included in the report. However, you can generate the report for an individual excluded campus by entering the campus ID.
As of Date (MMDDYYYY)	Type the date, or click to select the date from a calendar.
Period	Type the two-digit period, or leave blank to select all periods.
Print Students (Y, N)	Y - Print the student name, grade level, primary disability, and instructional setting. N - Print only the student counts.
Control Nbrs (Blank for All)	Type the three-digit instructor IDs (control numbers), separating multiple IDs with a comma (e.g., 112,131). Or, click to select the instructor IDs. Leave blank to select all instructor IDs.
Include Speech Students (Y,N)	Y - Include speech only students. N - Do not include the speech only students. **NOTE**: When this field is left blank, the parameter defaults to No.
