Student Information

Access this page by clicking **Student Information** in the top-right corner of any page in the TxEIS Student system.

The report provides demographic information, contact information, discipline records, attendance records, special program enrollment information, schedules and health information (Medical Alert) from the Attendance, Discipline, Grade Reporting, Health, and Registration applications depending on your security rights.

Data is displayed for one student at a time.

View data:

If you arrived at this page from a page where you had retrieved a student, that student's data is automatically displayed.

Field	Description
School Year	The year to which you are logged on is displayed. Select a different school year if necessary.

To further filter the report, enter data in one or more of the following fields:

Campus ID	The campus to which you are logged on is displayed. Select another campus if necessary. Only campuses to which you have access are listed in the drop down.
Grade	Select the grade level for which to view a list of students.
Student	Begin typing the student's name or ID (including leading zeros). As you begin typing the number, a drop-down list displays students whose name or ID *begins with* the characters you have typed. The student's grade level is displayed in parentheses, and WD is displayed if the student is withdrawn or a no show. From the drop-down list, select the student. If you do not know the student ID, click Directory to search for a student.

Click **Retrieve**. The report is generated.

Other functions and features:
