## Grade Reporting > Utilities > Assign Control Numbers > Cntrl by Grd Lvl

This utility assigns control numbers by grade level.

Student control numbers are stored and can also be maintained on [Registration > Maintenance > Student Enrollment > Demo1](#) in the **Control Num** field under **Current/Next Year Information**. When this utility is executed, the student's control number is updated on that tab.

### Update data:

<b>Grd Lvl</b>	The grade level associated with the selected instructor is displayed.
