Update data:

Field		Description
Post	**Grades**	If selected, the program uses the **Auto Grd** field in the district master schedule. Records are updated for students enrolled in courses with an auto grade value. The value is assigned to students who have a blank grade for the selected **Semester** and **Cycle**. If **Blank out Semester/Final on Grade Change** or **Remove Credit on Grade Change** is selected on Maintenance > Tables > Campus Control Options > Computation, the semester grades, final grades, and/or credits are cleared when records are updated.
	Citizenship	If selected, the **Auto Citizenship** and **Citizenship Grade** fields on Maintenance > Tables > Campus Control Options > Posting are used. If **Auto Citizenship** is selected and a valid **Citizenship Grade** exists, the utility updates all blank citizenship grades for all students for the selected **Semester** and **Cycle**.
