Delete/Rebuild Student Schedules From Table

Grade Reporting > Utilities > Elem Scheduling > Delete/Rebuild Student Schedules From Table

This utility deletes and rebuilds elementary student schedules. The following processes can be performed in elementary grade reporting:

Automatically build student schedules based on student control numbers and information in the elementary courses table and instructor record.

Delete all existing student schedules.

Transfer students from one section to another.

Note: For elementary campuses on or after the last Friday in October (i.e., the PEIMS snapshot date) for the current school year, district employees should use the Maintenance > Student > Individual Maintenance > Crs/Sec Change tab for any schedule changes.
