# Delete/Rebuild Student Schedules From Table

***Grade Reporting > Utilities > Elem Scheduling > Delete/Rebuild Student Schedules From Table***

This utility deletes and rebuilds elementary student schedules. The following occurs:

- Student schedules are automatically built based on student control numbers and information in the elementary courses table and instructor record.
- All existing student schedules are deleted.
- Students are transferred from one section to another.

**NOTE:** For elementary campuses on or after the last Friday in October (i.e., the PEIMS snapshot date) for the current school year, use Maintenance > Student > Individual Maintenance > Crs/Sec Change for any schedule changes.
