Performance Acknowledgment

Graduation Plan > Maintenance > Student > Individual Maintenance > Performance Acknowledgement

This tab allows you to view and edit a student's performance acknowledgment data, including College Board AP/IB examinations, national and international business or industry certifications (read-only), college readiness assessments (read-only), bilingualism/biliteracy, and dual credit. For information about performance acknowledgments, see the Texas Education Code §28.025(c-5).

You can also change a student's graduation plan and move courses from the student's graduation plan to course requests in Scheduling.

[Select a student](#)

☐ To retrieve a student's records, select the student in one of the following ways:

Student	Begin typing the student ID (with leading zeros) or last name. As you begin typing, a drop-down list displays students whose ID or last name <i>begins with</i> the numbers or characters you have typed. The drop-down list displays the students' full name and grade level. From the drop-down list you can select the student. The student can also be located by typing the name in one of the following formats: • Last name, comma, first name (smith, john) • Last name initial, comma, first name initial (s,j) • Comma, first name (,j)
Texas Unique Student ID	Type all or part of the student's Texas Unique Student ID to retrieve students whose ID <i>begins with</i> the characters you typed. If the student does not have a Unique ID, click TSDS Unique ID button to connect to the TSDS Unique ID Web Service and obtain an ID. Your LEA must have the appropriate credentials through Texas Education Agency Login (TEAL) before this functionality can be used. Review the Assign a TSDS Unique ID guide for additional information.
Directory	Click to select a student from the Directory.

(photo)	If a photo exists for the student, the student photo is displayed. From Registration > Maintenance > Student Enrollment, you can change the student photo: 1. Hover over the image, and click Change. The Change Student Photo window opens. 2. Click Choose File. Locate and open the file for the new image. 3. Click Save. The window closes, and the new image is displayed. Photos are not displayed in all applications. They are displayed in Attendance (Inquiry), Discipline, Grade Reporting, Graduation Plan, Health, Registration, and Scheduling. They are not displayed in Special Ed or Test Scores.
----------------	---

- The student's name, current grade level, 9th grade entry date, and cohort year are displayed.
- If multiple records exist for the student due to a grade level or status change, the most recent record is displayed.

Field	Description	
Graduation Plan	The code and description of the graduation plan currently assigned to the student are displayed.	
PEIMS Grad Type	The PEIMS graduation type code and description associated with the student's plan is displayed.	
College Board AP/IB Examinations	Students who have taken the College Board Advanced Placement Examinations may be eligible for advanced placement and appropriate credit. NOTE: If you manually entered an AP exam with a score of 3 or higher on Test Scores > Maintenance > Individual Maintenance > AP, a corresponding AP exam record is automatically added to this section. ☐ Click +Add to add an exam for which the student scored a 3 or higher.	
	Admin	Type the year in which the exam was administered.
	Month	Select the month in which the exam was administered.
	Code	Select the code indicating the specific acknowledgement.
	Description	The description of the selected code is displayed.
		Delete an exam. 1. Click  to delete a row. The row is shaded red to indicate that it will be deleted when the record is saved. You can select multiple rows to be deleted at the same time. 2. Click Save. You are prompted to confirm that you want to delete the row. Click Yes to continue. Otherwise, click No. You can save edits and delete records in the same step (i.e., the changes are all committed when the record is saved).
Natl/Intl Business or Industry Certification	This section displays any internationally or nationally recognized credentials or certifications earned by the student. This data is entered on the PGP tab or the Graduation tab. To display in this section, Origin must be set to <i>International</i> or <i>National</i> on Maintenance > District > Tables > Credentials or Certification.	

5. The Outstanding Performance Assessment section is read-only and indicates if the student received

acknowledgment for his performance on the ACT, ACT PLAN, PSAT, or SAT exam.

Performance Acknowledgment Scores

6. In the Bilingual/Biliteracy field, indicate if the student has been recognized for bilingualism/biliteracy by receiving qualifying grades in English as well as another language, and met the exit criteria for the ESL program, and also scored at the Advanced High Level on the TELPAS test.

In the corresponding date field, type the date on which the student met the criteria for acknowledgment in bilingualism/biliteracy.

- If the Bilingual/Biliteracy field is set to 1 (Acknowledgment for Biligualism/Biliteracy), a date is required.
- If you enter a date, the Bilingual/Biliteracy field must be set to 1.
- The date cannot be in the future.

7. In the Dual Credit field, indicate if the student received acknowledgment for his performance in a dual credit course by taking at least 12 hours of college academic courses, or earning an associates degree while in high school.

In the corresponding date field, type the date on which the student met the criteria for acknowledgment in a dual credit course.

- If the Dual Credit field is set to 1 (acknowledgment for Associate degree) or 2 (acknowledgement for College credit hours), a date is required.
- If you enter a date, the Dual Credit field must be set to 1 or 2.
- The date cannot be in the future.

Click **Save**.

Other functions and features:

Move to Request	Move the student's graduation plan next year courses to Scheduling course request. ☐ Click Move to Request to move the student's graduation plan next year courses to Scheduling course requests for the upcoming school year. You are prompted to confirm that you want to move requests to Scheduling. ☐ Click OK. • A student with record status 1 (<i>currently enrolled at this campus</i>) is changed to record status 2 (<i>currently enrolled at this campus, will return next year</i>). • A report is generated when the process is completed which indicates that all available courses moved, or lists any courses that did not move. IMPORTANT: Once graduation plan courses are moved to course requests, all maintenance on the next year courses must occur in Scheduling. You will no longer see the graduation plan courses for the next year grade level. The data will be displayed with the credit summary information.
------------------------	---

Add/Change Plan**Assign a plan to a student or change plans.**

☐ Click **Add Plan** to assign a graduation plan for the student.

☐ Or, click **Change Plan**. If the student already has a plan assigned, the **Change Plan** button is displayed instead of the **Add Plan** button.

A window opens allowing you to add or change the student's plan.

☐ Under **Grad Plan**, select the plan to assign to the student.

☐ Click **Execute** to assign the graduation plan to the student.

☐ You are prompted to confirm that you want to make the change.

☐ Click **OK**.

The Grad Plan Assignment Summary report opens in a new window, which provides a list of graduation plan changes and default assignments that occurred as a result of assigning a graduation plan to the student(s) for the first time.

- The **Previous Grad Plan** field displays the code for the previous graduation plan, if it exists. Otherwise, the field displays "none."

- The **New Grad Plan** field displays the code for the new graduation plan.

- If any courses were added, they are listed, including the course number, course title, credits, and service ID. Otherwise, assignment exceptions will indicate why courses were not added.

- When you change a student's graduation plan, the course subject areas (i.e., grad plan use codes) are automatically reassigned in the student's graduation plan. Any courses the student has already taken, is currently taking, or is scheduled to take next year will have the grad plan use code adjusted if necessary so courses appear under the correct subject area on the graduation plan. (**NOTE:** If a course is already set to at least one applicable subject area in the new graduation plan, the course's subject area will not be changed.)
