Performance Acknowledgment

Graduation Plan > Maintenance > Student > Individual Maintenance > Performance Acknowledgement

This tab allows you to view and edit a student's performance acknowledgment data, including College Board AP/IB examinations, national and international business or industry certifications (read-only), college readiness assessments (read-only), bilingualism/biliteracy, and dual credit. For information about performance acknowledgments, see the Texas Education Code §28.025(c-5).

You can also change a student's graduation plan and move courses from the student's graduation plan to course requests in Scheduling.

Select a student

☐ To retrieve a student's records, select the student in one of the following ways:

Student	Begin typing the student ID (with leading zeros) or last name. As you begin typing, a drop-down list displays students whose ID or last name <i>begins with</i> the numbers or characters you have typed. The drop-down list displays the students' full name and grade level. From the drop-down list you can select the student. The student can also be located by typing the name in one of the following formats: • Last name, comma, first name (smith, john) • Last name initial, comma, first name initial (s,j) • Comma, first name (,j)
Texas Unique Stu ID	Type all or part of the student's Texas Unique Student ID to retrieve students whose ID begins with the characters you typed. If the student does not have a Unique ID, click TSDS Unique ID button to connect to the TSDS Unique ID Web Service and obtain an ID. Your LEA must have the appropriate credentials through Texas Education Agency Login (TEAL) before this functionality can be used. Review the Assign a TSDS Unique ID guide for additional information.
Directory	Click to select a student from the Directory.

Natl/Intl Business or Industry Certification

This section displays any internationally or nationally recognized credentials or certifications earned by the student. This data is entered on the PGP tab or the Graduation tab.

To display in this section, **Origin** must be set to *International* or *National* on Maintenance > District > Tables > Credentials or Certification.

Outstanding Performance Assessment

This section indicates if the student received acknowledgment for his performance on the ACT, ACT PLAN, PSAT, or SAT exam.

ACT - Student's composite score (excluding the writing subscore) is 28 or higher.

PSAT- Student's **Commended** field is *Y* on Test Scores > Maintenance > Individual Maintenance > PSAT.

ACT PLAN (Not used for 2018-2019 and later) - At least two of the student's four scores qualify for the college readiness benchmark score:

English: 15 or greater
Math: 19 or greater
Reading: 18 or greater
Science: 20 or greater

SAT -

2018-2019 and later (applies to any SAT test taken after August 2018):

• The student's total evidence-based reading and writing and math scores is 1350 or higher.

Prior to and including August 2018:

• The student scored at least 410 on the evidence-based reading section and 520 on the math section.

Prior to March 2016:

• The student's combined critical reading and math score is 1250 or higher.

Bilingual/Biliteracy

Indicate if the student has been recognized for bilingualism/biliteracy by receiving qualifying grades in English as well as another language, and met the exit criteria for the ESL program, and also scored at the Advanced High Level on the TELPAS test.

Date Type the date on which the student met the criteria for acknowledgment in bilingualism/biliteracy. Or, click

to select the date from a calendar. You cannot type a future date.

The date is required if the student received acknowledgment for biligualism/biliteracy.

Dual Credit

Indicate if the student received acknowledgment for his performance in a dual credit course by taking at least 12 hours of college academic courses, or earning an associates degree while in high school.

Date Type the date on which the student met the criteria for acknowledgment in a dual credit course. You cannot type a future date.

The date is required if **Dual Credit** is 1 (acknowledgment for Associate degree) or 2 (acknowledgement for college credit hours).

Associate Degree	☐ Click +Add to	add an associate degree the student earned.
	Associate	Indicate if the student earned an associate degree by
	Degree	August 31 immediately following graduation.
	Earned Date	Type the date on which the student earned the Associate Degree. Or, click to select the date from a calendar.

Add/Change Plan	☐ Click Add Plan to assign a graduation plan for the student.
	☐ Or, click Change Plan . If the student already has a plan assigned, the Change Plan button is displayed instead of the Add Plan button.
	A window opens allowing you to add or change the student's plan.
	☐ Under Grad Plan , select the plan to assign to the student.
	☐ Click Execute to assign the graduation plan to the student.
	☐ You are prompted to confirm that you want to make the change.
	□ Click OK .
	The Grad Plan Assignment Summary report opens in a new window, which provides a list of graduation plan changes and default assignments that occurred as a result of assigning a graduation plan to the student(s) for the first time.
	• The Previous Grad Plan field displays the code for the previous graduation plan, if it exists. Otherwise, the field displays "none."
	• The New Grad Plan field displays the code for the new graduation plan.
	• If any courses were added, they are listed, including the course number, course title, credits and service ID. Otherwise, assignment exceptions will indicate why courses were not added.
	• When you change a student's graduation plan, the course subject areas (i.e., grad plan use codes) are automatically reassigned in the student's graduation plan. Any courses the student has already taken, is currently taking, or is scheduled to take next year will have the grad plan use code adjusted if necessary so courses appear under the correct subject area on the graduation plan. (NOTE: If a course is already set to at least one applicable subject area in the new graduation plan, the course's subject area will not be changed.)
