Mass Move to Requests

Graduation Plan > Utilities > Mass Move to Requests

This utility moves the courses from student graduation plans to course requests in Scheduling by grade level. This is the same function performed on [Maintenance > Student > Individual Maintenance](#); however, the courses are moved for all students in the selected grade level. Withdrawn students are not included.

Update data:

Field	Description
Grade Level	Select the current year grade level of the students for whom you want to move courses to Scheduling course requests. Courses are moved to Scheduling for the student's next year grade level.

Click **Execute**.

You are prompted to confirm that you want to make the change. Click **OK**.

A summary report is displayed, and any exceptions are indicated.
