Inquiry (Nurse's Daily Log)

Health > Maintenance > Nurse's Daily Log > Inquiry

This page allows you to view nurse's daily log records for a date range or student for all campuses to which you have access. From this page you can add a new record or select an existing record to edit.

View Data:

Update data:

Field	Description
From/To Date	The first day of the school year (From) and current date (To) are displayed by default. Type other dates as needed in the MMDDYYYY format, or click  to select the dates from a calendar.
Student	Begin typing the student's last name or ID (including leading zeros). As you begin typing the name or number, a drop-down list displays students whose name or ID <i>begins with</i> the characters you have typed. The student's grade level is displayed in parentheses, and WD is displayed if the student is withdrawn or a no show. From the drop-down list, select the student. If you do not know the student ID, click  to search for a student .
Show all campuses	Select to show records for all campuses to which you have access. Records from campuses to which you are not logged on are displayed; however, you cannot edit or view the data on Maintenance > Nurse's Daily Log > New (Detail) . You must log on to another campus.

Click **Retrieve**. All records that match the criteria are displayed.

- [The list can be re-sorted](#).

You can re-sort the grid by clicking on an underlined column heading. It will sort in ascending order. Click it again to sort in descending order.

A triangle next to the column heading indicates the column by which the grid is currently sorted and whether it is sorted in ascending  or descending  order.

- If more records are retrieved than can be displayed on one page, you can [page through the list](#).

To edit an existing record, click the record. The Detail page opens allowing you to edit the record.

[New](#) [Click to add a new record. The Detail page opens. Click Inquiry to return to this page. If you updated the record on the Details page, the record on the Inquiry page reflects the changes.](#)

[View medical alert.](#)

The button is displayed if a medical warning exists for the student and **Consent to Display Alert** is selected on [Health > Maintenance > Student Health > Emergency](#).

Click to view the student's medical alert information.

Documents[View or attach supporting documentation.](#)**Document Attachments**The Document Attachments feature allows you to upload and view documents by application, school year, folder, and document type. **This feature is not available in all districts.**If you are logged on as a user assigned to a Document Attachments-enabled role, the **Documents** button is displayed on various pages in the ASCENDER Student system. If a document is attached, the **Documents** button displays a note icon.

If you have full access, you can upload and download files. If you have read-only access, you can download existing files, but you cannot upload files.

If you are logged on with a role that does *not* have security access to Document Attachments, the **Documents** button is *not* displayed on any pages.**Document Attachment-enabled pages:**

.txt	text/plain
.xls	application/vnd.ms-excel
.xlsx	application/vnd.openxmlformats-officedocument.spreadsheetml.sheet

Upload or view documents: **Under Document List:**

Application	The application you are currently logged on to is displayed (e.g., Test Scores).
Folder	<p>In some applications, you must select the folder for which you want to view or attach a document:</p> <ul style="list-style-type: none"> Different types of documents must be uploaded to specific folders. Changing the folder will change the document type options in the Select Type field. <p>Some applications only have one folder, so no selection is necessary.</p>

Select School Year Select the school year for which you want to view documents. Student documents are stored by year.

Existing documents are displayed according to specified criteria.

 Under Document Upload:

Select File to Upload	Click Choose File . Locate and select the document on your computer or network. The file name is displayed next to Choose File . Note: Files cannot be larger than 10MB or empty.
School Year	Select the school year for which you want to view documents. Student documents are stored by year.
Select Type	Select the type of document you are uploading. The list varies according to your selection in the Folder field.

Description Type an optional description of the document.**Note:** The description cannot be longer than 255 characters.

Upload File	Click to upload the file for the student. The document is listed in the Document List section. The date-time stamp and user ID display the date and time the document was uploaded, and the user ID of the user who uploaded the document.
--------------------	---

Any changes made in the Document Options window are saved when you close the window.

Type Click the link in the **Type** column to download the file to your PC to view it.**Choose File** Click again to add another document, and repeat the steps for uploading a document. Click to delete the document from the student's record. You are prompted to confirm that you want to delete the document.**NOTES** Deleted documents are not actually deleted from the Document Attachments server. You can retrieve deleted files using the Document Attachments File Recovery utility in

District Administration.
