Health > Maintenance > Student Health > Contacts

This tab displays a student's primary and emergency contact information. These are people who may need to be contacted in the event of an emergency. The fields cannot be updated on this page.

This tab is not enabled until you retrieve a student.

Update data:

Select a student

❑ To retrieve a student's records, select the student in one of the following ways:

Student	Begin typing the student ID (with leading zeros) or last name. As you begin typing, a drop-down list displays students whose ID or last name *begins with* the numbers or characters you have typed. The drop-down list displays the students' full name and grade level. From the drop-down list you can select the student. The student can also be located by typing the name in one of the following formats: • Last name, comma, first name (smith, john) • Last name initial, comma, first name initial (s,j) • Comma, first name (,j)
Texas Unique Stu ID	Type all or part of the student's Texas Unique Student ID to retrieve students whose ID *begins with* the characters you typed. If the student does not have a Unique ID, click TSDS Unique ID button to connect to the TSDS Unique ID Web Service and obtain an ID. Your LEA must have the appropriate credentials through Texas Education Agency Login (TEAL) before this functionality can be used. Review the Assign a TSDS Unique ID guide for additional information.
Directory	Click to select a student from the Directory.

(photo)	If a photo exists for the student, the student photo is displayed.
	From Registration > Maintenance > Student Enrollment, you can change the student photo:
	1. Hover over the image, and click **Change**. The Change Student Photo window opens.
	2. Click **Choose File**. Locate and open the file for the new image.
	3. Click **Save**. The window closes, and the new image is displayed.
	Photos are not displayed in all applications. They are displayed in Attendance (Inquiry), Discipline, Grade Reporting, Graduation Plan, Health, Registration, and Scheduling. They are not displayed in Special Ed or Test Scores.

The student's contact information is displayed.

- The data for non-medical contacts is maintained on Registration > Maintenance > Student Enrollment > Contact.
- The data for medical contacts is maintained in Health on the Emergency tab.

Other functions and features:

Medical Alert	View medical alert. The button is displayed if a medical warning exists for the student and **Consent to Display Alert** is selected on Health > Maintenance > Student Health > Emergency. Click to view the student's medical alert information.
Documents	View or attach supporting documentation.
