# Immunization

***Health > Maintenance > Student Health > Immunization***

This tab allows you to view and update a student's immunization records.

This tab is not enabled until you retrieve a student.

## Update data:

Select a student

❑ To retrieve a student's records, select the student in one of the following ways:

| | |
|---|---|
| **Student** | Begin typing the student ID (with leading zeros) or last name. As you begin typing, a drop-down list displays students whose ID or last name *begins with* the numbers or characters you have typed. The drop-down list displays the students' full name and grade level. From the drop-down list you can select the student.<br><br>The student can also be located by typing the name in one of the following formats:<br><br>• Last name, comma, first name (smith, john)<br>• Last name initial, comma, first name initial (s,j)<br>• Comma, first name (,j) |
| **Texas Unique Stu ID** | Type all or part of the student's Texas Unique Student ID to retrieve students whose ID *begins with* the characters you typed.<br><br>If the student does not have a Unique ID, click TSDS Unique ID button to connect to the TSDS Unique ID Web Service and obtain an ID. Your LEA must have the appropriate credentials through Texas Education Agency Login (TEAL) before this functionality can be used.<br>Review the Assign a TSDS Unique ID guide for additional information. |
| **Directory** | Click to select a student from the Directory. |

| | |
|---|---|
| **(photo)** | If a photo exists for the student, the student photo is displayed.<br><br>From Registration > Maintenance > Student Enrollment, you can change the student photo:<br><br>1. Hover over the image, and click **Change**. The Change Student Photo window opens.<br><br>2. Click **Choose File**. Locate and open the file for the new image.<br><br>3. Click **Save**. The window closes, and the new image is displayed.<br><br>Photos are not displayed in all applications. They are displayed in Attendance (Inquiry), Discipline, Grade Reporting, Graduation Plan, Health, Registration, and Scheduling. They are not displayed in Special Ed or Test Scores. |

The student's existing immunization records are displayed.

● The list can be re-sorted by clicking the column heading.

A blank row is displayed in the grid allowing you to enter immunization data. If records exist, the blank row is at the bottom of the grid.

| Field | Description |
|---|---|
| **ID** | A sequence number is displayed for the student's immunization entries. |

3. The ID field displays a sequence number for the student's immunization entries and cannot be updated.

4. In the Date field, type the date on which the immunization was administered in the MMDDYYYY format.

5. In the Immunization Type field, click drop-down arrow or use the up and down arrow keys to select the type of immunization.

Notes:

● The list of immunization types is maintained on the Maintenance > Tables > Immunization Type tab.

● Immunization type codes 90-99 are user-defined.

6. In the Series # field, click drop-down arrow or use the up and down arrow keys to select the sequence in the immunization series.

Note: You may enter the same series number for multiple doses of 14-Influenza.

7. Select Reaction if the student had a reaction to the immunization.

8. In the Partial Dosage field, if the student received a partial dosage, type the percentage of dosage the student received.

Note: For the dosage to be considered complete, the total of all partial amounts must equal or be greater than 94%.

9. In the Exemption Type field, click drop-down arrow or use the up and down arrow keys to select the type of exemption, if applicable.

10. In the Affidavit Date field, type the date in the MMDDYYYY format.

Notes:

● An affidavit date is mandatory for conscience, lifetime, religious, and medical exemption types.

● An exemption affidavit for a medical exemption is valid for one year.

● An exemption affidavit for reasons of conscience is valid for two years for new applicants. Exemption affidavits for reasons of conscience filed during the 2003-2004 school year are valid for five years.

11. Press ENTER to add a new row to the grid in which to add data for another immunization record.

12. You can modify data for an existing record. The modified row is displayed in a bold font when a field in the row is in use; then the field is displayed in italic font when you tab out of the field. When you save the record, the row is displayed in a normal font.

Click **Save**.

## Other functions and features:

| | |
|---|---|
| | Delete a row.<br>1. Click to delete a row. The row is shaded red to indicate that it will be deleted when the record is saved. You can select multiple rows to be deleted at the same time.<br>2. Click **Save**. You are prompted to confirm that you want to delete the row. Click **Yes** to continue. Otherwise, click **No**.<br>You can save edits and delete records in the same step (i.e., the changes are all committed when the record is saved). |
| Medical Alert | View medical alert.<br>The button is displayed if a medical warning exists for the student and **Consent to Display Alert** is selected on Health > Maintenance > Student Health > Emergency.<br>Click to view the student's medical alert information. |

**Documents**

View or attach supporting documentation.

**Document Attachments**

The Document Attachments feature allows you to upload and view documents by application, school year, folder, and document type. **This feature is not available in all districts.**

If you are logged on as a user assigned to a Document Attachments-enabled role, the **Documents** button is displayed on various pages in the ASCENDER Student system. If a document is attached, the **Documents** button displays a note icon.

If you have full access, you can upload and download files. If you have read-only access, you can download existing files, but you cannot upload files.

If you are logged on with a role that does *not* have security access to Document Attachments, the **Documents** button is *not* displayed on any pages.

| **School Year** | Select the school year for which you want to view documents. Student documents are stored by year. |
| **Select Type** | Select the type of document you are uploading. The list varies according to your selection in the **Folder** field. |
| **Description** | Type an optional description of the document.<br>**Note**: The description cannot be longer than 255 characters. |

| | |
|---|---|
| **Upload File** | Click to upload the file for the student.<br><br>The document is listed in the **Document List** section.<br><br>The date-time stamp and user ID display the date and time the document was uploaded, and the user ID of the user who uploaded the document. |

Any changes made in the Document Options window are saved when you close the window.

| | |
|---|---|
| **Type** | Click the link in the **Type** column to download the file to your PC to view it. |
| **Choose File** | Click again to add another document, and repeat the steps for uploading a document. |
|  | Click to delete the document from the student's record. You are prompted to confirm that you want to delete the document. |

**NOTES** Deleted documents are not actually deleted from the Document Attachments server. You can retrieve deleted files using the Document Attachments File Recovery utility in District Administration.
