Grace periods for immunizations

Run the report:

Parameter	Description
As of Date (MMDDYYYY)	Type the date, or click to select the date from a calendar. Leave blank to use the current date.
Immunization Type (Blank for All)	Type the two-digit immunization type code, or click to select the immunization. Leave blank to select all immunization types.
Campus ID (Blank for All)	Type the three-digit campus ID, or click to select the campus. Leave blank to select all campuses in the district. **NOTE:** If you select to create the report for all campuses, any campuses excluded from district reporting (i.e., campuses that have the **Exclude from District Reporting** field selected on Registration > Maintenance > Campus Profile > Campus Information Maintenance > Control Info) are not included in the report. However, you can generate the report for an individual excluded campus by entering the campus ID.
Active Code (1=Active, 2=Inactive, Blank for All)	1 - Select active students only. 2 - Select inactive students only. Blank - Select all students.
Grade Level (Blank for All)	Type the two-character grade level, click to select the grade level, or leave blank to select all grade levels.
Student ID (Blank for All)	Type the six-digit student ID number, including all leading zeros. Or, click to select the student. Leave blank to select all students.

Parameter	Description
Use Next Year Grade Level (Y, N)	Y - Use the student's next year grade level. If Y, the **As of Date** must be the first day of school for the upcoming school year. If this date is not yet known, use an estimated first day of school (e.g., 09/01). N or blank - Do not use the student's next year grade level. For students in PK who will still be four years old on September 1 of the next school year, the grade level will not be incremented to KG; therefore, KG rules will not apply to the student (DTP, Polio, MMR, Varicella, and Hep A).
