SHS0295 - Vision Screening Report (DSHS)

Health > Reports > Health Reports > Screenings > SHS0295 - Vision Screening Report (DSHS)

This report produces a detailed listing of students' most recent vision screening records from June through May for the district. This is the annual report that must be submitted to the Department of State Health Services (DSHS).

Campuses that have been excluded from district reporting are not included.

Report field descriptions

Screen with Auto Screening Device (A2)	A count of students whose Exam - Type field on Maintenance > Student Health > Screening - Vision is set to PS-Photoscreening
Number Failed with Auto Screening Device (B1)	A count of students whose Exam - Type field on Maintenance > Student Health > Screening - Vision is set to PS-Photoscreening, and whose Results - Pass/Fail field is set to Fail.
Number Referred with Auto Screening Device (C1)	A count of students whose Exam - Type field on Maintenance > Student Health > Screening - Vision is set to PS-Photoscreening, and whose Exam - Referral Date field contains a value.
Number Transferred with Auto Screening Device (D1)	A count of students whose Exam - Type field on Maintenance > Student Health > Screening - Vision is set to PS-Photoscreening, and whose Exam - Status field is set to 5-Transferred.
No Problem with Auto Screening Device (E1)	A count of students whose Exam - Type field on Maintenance > Student Health > Screening - Vision is set to PS-Photoscreening, and whose Exam - Status field is set to 1-No Problem.
Treatment with Auto Screening Device (F1)	A count of students whose Exam - Type field on Maintenance > Student Health > Screening - Vision is set to PS-Photoscreening, and whose Exam - Status field is set to 2-Treatment.
Referred Not examined with Auto Screening Device (G1)	A count of students whose Exam - Type field on Maintenance > Student Health > Screening - Vision is set to PS-Photoscreening, and whose Exam - Status field is set to 3-Not Examined.

Run the report:

Parameter	Description
Ending School Year	Type the four-digit ending school year. For example, for the 2023-2024 school year, type 2024.
County Name	Type the name of the county where the district is located.
Screenings Performed by School (Y, N)	Y - The screenings were performed by the school. N - The screenings were not performed by the school.
Screenings Performed by Health Dept/Clinic (Y, N)	Y - The screenings were performed by the health department or a clinic. N - The screenings were not performed by the health department
	or a clinic.

Student

Parameter	Description
Name of Org if Performed by Volunteers (Blank if None)	If the screening was performed by volunteers, type the name of the volunteer organization. Leave blank if the screening was not performed by volunteers.
Name of Org if Performed by Others (Blank if None)	If the screening was performed by any other organization, type the name of the organization. Leave blank if the screening was not performed by another organization.
Report	 Select one: Vision Screening Report (DSHS) - Print the summary report (district total counts). Vision Screening Report (DSHS) - Detail - Print the detail report (student-level data).
