Health > Reports > Health Reports > Student > SHS0840 - Medical Alert Report

This report provides a list of medical alerts that have been entered in the **Medical Alert 1** and **2** fields on Maintenance > Student Health > Emergency. The data is sorted by campus ID, grade level, then student name. Only students who have medical alerts are included.

Run the report:

Parameter	Description
	Type the three-digit campus ID, or click ^t to select the campus. Leave blank to select all campuses in the district.
	NOTE: If you select to create the report for all campuses, any campuses excluded from district reporting (i.e., campuses that have the Exclude from District Reporting field selected on Registration > Maintenance > Campus Profile > Campus Information Maintenance > Control Info) are not included in the report. However, you can generate the report for an individual excluded campus by entering the campus ID. If blank, a campus total and district total are printed, and there is a page break after each campus.
Active Code (1=Active, 2=Inactive, Blank for	1 - Select active students only.
-	2 - Select inactive students only.
	Blank - Select all students. If 2 is selected, the message "(Withdrawn Students)" is printed in the heading.
All)	Type the two-character grade level, click [‡] to select the grade level, or leave blank to select all grade levels. If a grade level is entered, a grade level total by campus is printed.
for All)	Type the three-digit control number (instructor ID), click [‡] to select the control number, or leave blank to select all control numbers. If a control number is entered, an instructor total is printed.
	Type the six-digit student ID number, including all leading zeros. Or, click i to select the student. Leave blank to select all students.
	Y - Print any comments entered in the Comments field on Maintenance > Student Health > Emergency. N - Do not include the comments.
Print Contacts (Y, N)	Y - Print the student's contacts (i.e., contacts for whom Guardian is selected on Registration > Maintenance > Student Enrollment > Contact). N - Do not include contacts.
