SHS0900 - Emergency Profile Report	 1

# **SHS0900 - Emergency Profile Report**

#### Health > Reports > Health Reports > Student > SHS0900 - Emergency Profile Report

This report lists student demographic information, parent/guardian contact information, emergency information, and medical contact information.

### Run the report:

Parameter	Description
Campus ID (Blank for All)	Type the three-digit campus ID, or click i to select the campus. Leave blank to select all campuses in the district.
	<b>NOTE:</b> If you select to create the report for all campuses, any campuses excluded from district reporting (i.e., campuses that have the <b>Exclude from District Reporting</b> field selected on Registration > Maintenance > Campus Profile > Campus Information Maintenance > Control Info) are not included in the report. However, you can generate the report for an individual excluded campus by entering the campus ID.
Active Code (1=Active, 2=Inactive, Blank for All)	<ol> <li>Select active students only.</li> <li>Select inactive students only.</li> <li>Blank - Select all students.</li> </ol>
Grade Level (Blank for All)	Type the two-character grade level, click it to select the grade level, or leave blank to select all grade levels.
Control Number (Blank for All)	Type the three-digit control number (instructor ID), click to select the control number, or leave blank to select all control numbers.
Student ID (Blank for All)	Type the six-digit student ID number, including all leading zeros. Or, click to select the student. Leave blank to select all students.
