Registration > Maintenance > District Profile > Tables > Wd Clearance Checks

This tab allows the district to maintain a table of clearance check codes for student withdrawals. The codes are used on the SRG0900 - Withdrawal Transfer Form report.

Up to 18 codes will print alphabetically on SRG0900 - Withdrawal Transfer Form. If more than 18 codes exist in the table, only the first 18 codes (alphabetically) will print on SRG0900.
