# Register Student

**Registration > Maintenance > Online Registration > New Student Enrollment (click )**

This page allows you to enroll a new student using the information that was entered by the student's parent/guardian in the txConnect parent portal.

This initial data serves as the basis for a complete student record.

Verify whether **Auto Assign Student ID** is set to automatic or manual assignment of student ID numbers on [Maintenance > District Profile > District Information > Control Info](#).

## Update data:

From the New Student Enrollment page, click  to view the details of the new student enrollment request. The Register Student page opens displaying the student's demographic data.

Field	Description
<b>Student ID</b>	<p>Verify whether student IDs are automatically or manually assigned, as indicated in the <b>Auto Assign Student ID</b> field on <a href="#">Maintenance &gt; District Information &gt; Control Info</a>.</p> <ul style="list-style-type: none"> <li>• If student IDs are manually assigned, type a student ID. Leading zeros are not required.</li> <li>• If student IDs are automatically assigned, leave the field blank, and the system will assign the next available student ID when the record is saved.</li> </ul>
<b>Student Key</b>	The enrollment key assigned to the student's enrollment record in ASCENDER ParentPortal is displayed.

Field	Description															
<b>Demographic Information</b>	<b>Grade</b>	Select the student's grade level for the current school year.														
	<b>Entry Dt</b>	Type the student's enrollment date, which is the first date the student attended the campus.  For students enrolling in the next school year, the <b>Entry Dt</b> should be the <i>last day of school</i> in the current school year. When Annual Student Data Rollover occurs, this date will be converted to the first day of school in the upcoming school year.														
	<b>Track</b>	Select the attendance track in which to enroll the student.														
	<b>Elig Code</b>	Select the student's ADA eligibility code.														
	<b>Next Year Student</b>	Select if the student is enrolling for the next school year.  If selected, the student's record will be saved with a record status 5 (i.e., <i>not currently in district will attend next year</i> ). Since Annual Student Data Rollover (ASDR) does not promote these students to the next grade level, the <b>Grade</b> field should be set to the next year grade level for any status 5 students.

**Document Attachments**

The Document Attachments feature allows you to upload and view documents by application, school year, folder, and document type. **This feature is not available in all districts.**

If you are logged on as a user assigned to a Document Attachments-enabled role, the **Documents** button is displayed on various pages in the ASCENDER Student system. If a document is attached, the **Documents** button displays a note icon.

If you have full access, you can upload and download files. If you have read-only access, you can download existing files, but you cannot upload files.

If you are logged on with a role that does *not* have security access to Document Attachments, the **Documents** button is *not* displayed on any pages.
