This page allows you to review pending new student enrollment requests received from the txConnect parent portal.

## Update data:

A list of new student enrollment requests received from the txConnect parent portal is displayed.

To search for a new student enrollment record, do one of the following:

Field	Description
<b>Search by Name</b>	Type the student's first and last name.
<b>Search by Key</b>	Type the student's key. This number is generated by ASCENDER ParentPortal when the parent proceeds through the new student enrollment steps.

As you begin typing the name or key, a drop-down list displays records that match the characters you have typed. From the drop-down list you can select the record.

	View the details of a pending enrollment request. The student's enrollment record is displayed on the Register Student page.
	Delete an enrollment record. The row is shaded red and will be deleted when you click the <b>Delete</b> button.
