# Campus Options (ParentPortal)

**Registration > Maintenance > ParentPortal > Campus**

This page allows you to set campus options for the ParentPortal.

## Update data:

**Language** Select the language in which you are adding a message.

Click **Retrieve**.

Any existing message in the selected language is displayed.

<b>Campus-wide Message</b>	Type a message in the selected language.  The message will be displayed on the ParentPortal Student Summary page, which is the first page users see after they successfully log on to ParentPortal. For example, if you select <i>Spanish</i> and type the message in Spanish, the message in ParentPortal will be displayed in Spanish when the user clicks <b>Español</b> .
----------------------------	---

Click **Save**.
