Pregnancy Related Services (PRS)

Registration > Maintenance > Student Enrollment > PRS

This tab allows you to view and update information for students who participate in a Pregnancy Related Services (PRS) program or the Compensatory Education Home Instruction (CEHI) program.

The PRS tab is not available until you retrieve a student on the [Student Enrollment](#) page. For a new student, you must enter and save all required data on [Demo1](#) before proceeding to this tab.

Update data:

The student's existing PRS entry/withdrawal/reentry records are displayed. If the most recent row contains an exit date and withdrawal reason code, you can add a record.

Click **+Add** to add a record. A blank row is added to the grid.

Campus	The campus ID to which you logged on is displayed.
Entry Date	To enroll a student in the program, type the date the student entered the program. Use the MMDDYYYY format. Or, click  to select the date from a calendar. If there are existing entry/withdrawal records for the student, the entry date for the new record must be after the last exit date. The student can have only one active record (i.e., a record without an exit date). The entry/exit dates for different records cannot overlap.
Exit Date	To withdraw a student from the program, type the date the student exited from the program. Use the MMDDYYYY format. Or, click  to select the date from a calendar. The exit date should be the school day following the last day the student was in the program.

Reason	If you are withdrawing the student from the program, click  to select the withdrawal reason . If the student is exiting the program, select EP (exit program).
	<p> 1. Click  to do a status change.</p> <ul style="list-style-type: none"> • A row is added to the grid that displays the default entry date, which is the same as the withdrawal date. This ensures that you do not lose any membership days by typing the incorrect entry date for the status change. • The fields display the data from the previous row by default. <p>2. Modify any information that changed for the entry date.</p> <p>3. Click Save to save the status change.</p> <p> If you entered a status change in error (e.g., the wrong student or wrong withdrawal or entry date), click  to remove the status change for the student. When you save, the exit date and exit reason are cleared, and the new row is removed from the grid.</p> <ol style="list-style-type: none"> 1. Click  in the the second row. This creates a new row (now 3 rows). 2. Click  in the second row. This removes the third row. 3. Click  in the first row. This will remove the second row leaving one remaining. 4. Make the change and click Save.

Changes to the following fields usually occur when there is a status change (withdrawal reason code 33). The new information is entered upon reentry.

PRS	Select if the student is receiving pregnancy-related services. The field is for female students only. TWEDS Data Element: PREGNANCY-RELATED-SERVICES (E1432) (Code table C088)
CEHI	Select if the student is receiving Compensatory Education Home Instruction (CEHI). The field is for female students only.
PEP Ind	The field is not displayed for the 2012-2013 school year and later. For previous years, the field is selected if the student is served in the Pregnancy, Education, & Parenting (PEP) program.
CTE Elig	If the student is enrolled in a Career and Technical Education (CTE) course, the student's eligibility for CTE contact hours has changed, select or clear the field. Students receiving pregnancy-related services while also being served by the CEHI program may not be eligible for CTE contact hours. See the Student Attendance Accounting Handbook, Section V - Career and Technical Education for more information.

Click **Save**.

 Delete a row. 1. Click  to delete a row. The row is shaded red to indicate that it will be deleted when the record is saved. You can select multiple rows to be deleted at the same time. 2. Click Save . You are prompted to confirm that you want to delete the row. Click Yes to continue. Otherwise, click No .
Comments View or add comments . Click to view or add comments about the student. The Comments window opens. If comments exist for the student, an exclamation mark is displayed on the button and it is outlined in red.

Documents View or attach supporting documentation. Document Attachments The Document Attachments feature allows you to upload and view documents by application, school year, folder, and document type. This feature is not available in all districts. If you are logged on as a user assigned to a Document Attachments-enabled role, the Documents button is displayed on various pages in the ASCENDER Student system. If a document is attached, the Documents button displays a note icon. If you have full access, you can upload and download files. If you have read-only access, you can download existing files, but you cannot upload files. If you are logged on with a role that does <i>not</i> have security access to Document Attachments, the Documents button is <i>not</i> displayed on any pages.
