Student Enrollment

Registration > Maintenance > Student Enrollment

You must select a student before you can access the tabs on the Student Enrollment page.

Select a student

To retrieve a student's records, select the student in one of the following ways:

Student	<p>Begin typing the student ID (with leading zeros) or last name. As you begin typing, a drop-down list displays students whose ID or last name <i>begins with</i> the numbers or characters you have typed. The drop-down list displays the students' full name and grade level. From the drop-down list you can select the student.</p> <p>The student can also be located by typing the name in one of the following formats:</p> <ul style="list-style-type: none"> • Last name, comma, first name (smith, john) • Last name initial, comma, first name initial (s,j) • Comma, first name (,j)
Texas Unique Student ID	<p>Type all or part of the student's Texas Unique Student ID to retrieve students whose ID <i>begins with</i> the characters you typed.</p> <p>If the student does not have a Unique ID, click TSDS Unique ID button to connect to the TSDS Unique ID Web Service and obtain an ID. Your LEA must have the appropriate credentials through Texas Education Agency Login (TEAL) before this functionality can be used.</p> <p>Review the Assign a TSDS Unique ID guide for additional information.</p>
Directory	<p>Click to select a student from the Directory.</p>
(photo)	<p>If a photo exists for the student, the student photo is displayed.</p> <p>From Registration > Maintenance > Student Enrollment, you can change the student photo:</p> <ol style="list-style-type: none"> 1. Hover over the image, and click Change. The Change Student Photo window opens. 2. Click Choose File. Locate and open the file for the new image. 3. Click Save. The window closes, and the new image is displayed. <p>Photos are not displayed in all applications. They are displayed in Attendance (Inquiry), Discipline, Grade Reporting, Graduation Plan, Health, Registration, and Scheduling. They are not displayed in Special Ed or Test Scores.</p>

[Or, enrolling a new student](#)

To add a student who has never had a record in the district:

Leave **Student** and **Texas Unique Stu ID** blank, and click **Retrieve**.

Depending on the setting of **Auto Assign Student ID** on [Maintenance > District Profile > District Maintenance > Control Info](#), the following occurs:

- If **Auto Assign Student ID** is selected, the next state ID is automatically assigned to students. A pop-up message is displayed indicating that the student ID number will automatically be assigned. Click **OK**.
- If **Auto Assign Student ID** is *not* selected, you must enter an ID number for the student. A message at the top of the page instructs you to enter the student ID.
 - In the **Student** field, type an unused six-digit student ID.
 - Click **Retrieve**.

The [Demo1](#) tab opens with blank fields allowing you to enter the student's full name and all required demographic data for the student.

The following fields are required to create a student record; however, the more complete the student's record, the more useful the data is throughout the Student system.

- **Grade**
- **Entry Dt**
- **First** and **Last Name**
- **Elig Code**
- Either **SSN** or **Social Security Num Denied**
- **Sex**
- **Date of Birth**
- At least one race must be selected.

Other bolded fields are required for PEIMS reporting and should be entered.

The Student Enrollment page is enabled with Demo1 as the default tab.
