Run the report:

Parameter	Description
Ending School Year (YYYY)	Type the four-digit **ending** school year.
As-of Date (MMDDYYYY)	Type the date, or click to select the date from a calendar.
Campus ID (Blank for All)	Type the three-digit campus ID, or click to select the campus. Leave blank to select all campuses in the district. **NOTE:** If you select to create the report for all campuses, any campuses excluded from district reporting (i.e., campuses that have the **Exclude from District Reporting** field selected on Registration > Maintenance > Campus Profile > Campus Information Maintenance > Control Info) are not included in the report. However, you can generate the report for an individual excluded campus by entering the campus ID.
Track	Type the two-digit attendance track.
Grade Level (Blank for All)	Type the two-character grade level, click to select the grade level, or leave blank to select all grade levels.
Active Code (1=Active, 2=Inactive, Blank for All)	1 - Select active students only. 2 - Select inactive students only. Blank - Select all students.
Check if At Risk Year (C=Current, P=Prior, A=All)	The student's At Risk indicator must be set on Maintenance > Student Enrollment > At Risk. The At-Risk Indicator displays a value of 1 on the report when the student meets the at-risk criteria for the selected parameters: C – Current Year • The At-Risk Begin Date is on or before the As-of Date. • The At-Risk End Date is blank or is after the As-of Date. • The At-Risk Indicator is 1 for the current-year record. P – Prior Year Displays 1 when the student was identified as at-risk at the end of the prior school year. The report uses the student's most recent At-Risk Begin Date from the prior year to determine their status. A – All Years Displays 1 if the student has ever had an At-Risk Indicator of 1, regardless of the school year or when the at-risk status occurred.
