This report displays student form data submitted via the standard forms which are provided to parents in ASCENDER ParentPortal/ASCENDER ParentPortal. Various reports can be printed depending on the **Report Name** selected.

Parameter	Description
Campus ID	Type the three-digit campus ID, or click to select the campus.
Grade Level (Blank for All)	Type the two-character grade level, click to select the grade level, or leave blank to select all grade levels.
As of Date (MMDDYYYY)	Type the date, or click to select the date from a calendar. This date cannot be prior to the date when the form was submitted. For example, if the student registered on 8/27/19, but the form was not submitted until 9/15/19, you must enter 9/15/19 for the **As Of Date**; otherwise, the report will not be generated.
Report Name	Click to select a report. The report heading changes according to the selected report. • If you select one of the *Data Differences* reports, the report lists students who have different information in ASCENDER ParentPortal/ASCENDER ParentPortal than in ASCENDER. The differing information is highlighted. • If you select one of the *Release Denials* reports, the report lists students who denied release of directory information to one or more publications or requestors. • If you select the *Food Allergy Disclosure* report, the report lists only modified data columns. • The other reports list the students who have submitted the associated form and the data submitted.
Directory Type (Blank for All)	This only applies if you selected *Student Directory Information Release Denials* for **Report Name**. Click to select a directory type. The lookup lists the directories identified on the *Student Directory Information Release* standard form.
Page Break on Grade Level (Y, N)	Y or blank - Insert a page break after each grade level. N - Do not insert page breaks.
