Set Parent Portal IDs

Registration > Utilities > Set Parent Portal IDs

This utility sets Student Portal IDs for the txConnect parent portal. You can assign portal IDs to one student, all students, or only students who do not have a portal ID, and you can view previously assigned portal IDs.

WARNING: Changes made with this utility cannot be reversed.

- A Student Portal ID is automatically assigned to the student when you save an enrollment record for a student who submitted an enrollment request using the txConnect online student enrollment system.
- The **Guardian Verified** field is cleared on [Maintenance > Student Enrollment > Contact](#) when this utility is run.
