TX-UNPS Export

Registration > Utilities > TX-UNPS

This utility creates the export file for the Texas Unified Nutrition Programs System (TX-UNPS). The export includes active students with status codes 1, 2, or 3. The file name is TXUNPS.csv.

Create file:

Field	Description
field	

Click [here](#) to view the file layout (PDF format). Click the Student Interfaces tab.

Create a TX-UNPS export file:

In the Enter CE-ID field, type the five-digit contracting entity (CE) ID number.

Click Execute to create the export file. When the process is finished, you are prompted to save or open the file.
