# By Grade Level (Control Number)

#### Scheduling > Maintenance > Control Number > By Grade Lvl

This tab allows you to designate the next year control number (i.e., instructor ID) for a group of students by next year grade level.

#### Change next year control numbers:

Enter the selection criteria:

	Instr ID	Click i to to select the instructor's ID (i.e., control number). This is the control number to which all selected students will be changed.	
		The instructor's name is displayed.	
<b>NY Grade</b> The grade level assigned to the selected instructor is displayed, as established on			
		Maintenance > Master Schedule > Campus > Instructors.	

A list of students who will be in this grade level next year is displayed.

• The list can be re-sorted.

You can re-sort the grid by clicking on an underlined column heading. It will sort in ascending order. Click it again to sort in descending order.

A triangle next to the column heading indicates the column by which the grid is currently sorted and whether it is sorted in ascending  $\boxtimes$  or descending  $\boxtimes$  order.

• If there are multiple pages, page through the list.

Update	Select the check box for the students whose control number you want to change.
	<ul> <li>Select Select All to select all students. If there are multiple pages of students, the students are selected across all pages.</li> </ul>
	• Clear <b>Select All</b> to unselect all selected students. If there are multiple pages of students, the students are unselected across all pages.
	• To unselect one or several individual students, clear the <b>Update</b> field for the students. Changes are retained across all pages.
NY Cnti	<b>1#</b> If the student has already been assigned a next year control number, the number is displayed. Verify that the number is correct.
	The field is blank if the next year control number is not assigned.
Cntrl#	The student's current year control number is displayed.

Click Save.
