## Scheduling > Maintenance > Control Number > By Period

This tab allows you to change the control number for a group of students by period. For the selected students, the next year control number is changed to match the instructor ID associated with the student's course during the selected period and semester.

### Change control numbers:

Enter the selection criteria:

<b>Semester</b>	Select the semester.
<b>NY Grade</b>	Select the next year grade level of the students, or select <i>All</i> for all grade levels.
<b>Period</b>	Select the period when the students meet.

A list of students who meet the specified criteria is displayed.

- The list [can be re-sorted](#).

You can re-sort the grid by clicking on an underlined column heading. It will sort in ascending order. Click it again to sort in descending order.

A triangle next to the column heading indicates the column by which the grid is currently sorted and whether it is sorted in ascending  or descending  order.

- If there are multiple pages, [page through the list](#).

<b>Update</b>	<p>Select the check box for the students whose control number you want to change.</p> <ul style="list-style-type: none"> <li>Select <b>Select All</b> to select all students. If there are multiple pages of students, the students are selected across all pages.</li> <li>Clear <b>Select All</b> to unselect all selected students. If there are multiple pages of students, the students are unselected across all pages.</li> <li>To unselect one or several individual students, clear the <b>Update</b> field for the students. Changes are retained across all pages.</li> </ul>
