Copy Course Section

Scheduling > Maintenance > Master Schedule > Campus > Copy Course Section

This tab allows you to create new sections in the campus master schedule by copying an existing next year course section.

Field	Description
Course	Select the next year course from which to copy data.
Section	Select the next year section from which to copy data. The drop-down list includes the section number, and the begin and end periods.
Create Section	Type the new two-digit section number(s) to be created. Separate multiple section numbers with a comma (e.g., 04,05,06).

Click **Create**. The grid is populated with the data for the new section(s). Update the data for the new section(s) as needed.

Click **Save**.

Click **Cancel** to clear unsaved changes and start over.
