# Copy Course Section (Scheduling)

**Scheduling > Maintenance > Master Schedule > Campus > Copy Course Section**

This tab allows you to create new sections in the campus master schedule by copying an existing next year course section.

Field	Description
<b>Course</b>	Select the next year course from which to copy data.
<b>Section</b>	Select the next year section from which to copy data. The drop-down list includes the section number, and the begin and end periods.
<b>Create Section</b>	Type the new two-digit section number(s) to be created. Separate multiple section numbers with a comma (e.g., 04,05,06).

Click **Create**. The grid is populated with the data for the new section(s). Update the data for the new section(s) as needed.

Click **Save**.

Click **Cancel** to clear unsaved changes and start over.
