

Instructors (Master Schedule Generator)

Table of Contents

Instructors 1

Instructors

Scheduling > Maintenance > Master Schedule Generator > Generate Campus Schedule > Instructors

This tab allows you to view the instructors assigned to the course sections and meeting times created by the Master Schedule Generator. You can also print the instructor's schedule.

The page only displays instructors who have data in all **Maximum Values** fields (except **Study Halls/Day**) on Maintenance > Master Schedule Generator > Resource Allocator > Instructors.
