Study Hall 1

Study Hall

Scheduling > Maintenance > Master Schedule Generator > Resource Allocator > Study Hall

This tab allows you to create study hall courses.

Create study hall courses:

- Existing sections are displayed in order by instructor ID. The list can be re-sorted.

  You can re-sort the grid by clicking on an underlined column heading. It will sort in ascending order. Click it again to sort in descending order.

  A triangle next to the column heading indicates the column by which the grid is currently sorted and whether it is sorted in ascending or descending order.

- If more sections are retrieved than can be displayed on one page, you can page through the list.

- Click in the upper grid to add sections to an existing course.
- Or, click **+Add** to add a course and sections.

The fields in the free-form area below the grid are enabled.

Field	Description
Crs Nbr	Click to select the course. The course name is displayed in the **Title** field. The field cannot be updated once the record is saved.
